

# Alstonville Anglicans

January 2020

We acknowledge and pay respect to the traditional custodians of the land, on which we worship, work and meet, the Bundjalung people. We recognise the significant role the past and future Elders play in the life of the region. We are mindful that within and without the beautiful sandstone church, the Land always was and always will be Bundjalung Land.

## **Prayer in response to drought and bushfires**

Lord and creator of all things and especially of this land and its original peoples, we call out to you in these desperate times as fires sweep across several parts of our country. Our hearts cry out to you for those who have lost loved ones, and those who have lost properties in the wake of these ravaging fires.

Lord we pray, in your mercy protect human life, wildlife and property. Guard those volunteers, rural fire service personnel and emergency services who selflessly step into the breach to fight these fires. Guide all who help evacuate and shelter those who are displaced. Bring comfort and healing to all who suffer loss.

Remembering your promises that seedtime and harvest will never cease, we pray that you would send refreshing rain upon our parched land to quench these fires and to restore life unto the earth.

We bring these requests before your throne, in the name Jesus, Amen.
