# Confirmation

# Baptism and Confirmation –

## Young Candidate Information – 12-17 years

Congratulations on wanting to explore confirmation with Alstonville Anglicans.

Confirmation can be an important part of a lifetime journey of faith as a follower of Jesus Christ.

During the service of Confirmation, the Bishop and the church asks God to give you power through the Holy Spirit to live as a follower of Jesus Christ.

Before the service you will spend time thinking about your faith as you prepare to affirm your baptismal vows and your intention to live your life as a disciple of Christ.

When you speak to your priest about being confirmed they will usually invite you to a few meetings to help you get ready for the service. This is a good way to explore your faith with others who are also thinking about confirmation and is a safe place to ask any questions you have about God, Jesus and the journey of faith.

These are some common questions about confirmation, and the local priest will be delighted to explain all that's involved too.

If you are interested in taking this next step in your Christian faith then you are invited to fill out the form. Should you have further questions please contact the office at [office@anglicans.live](mailto:office@anglicans.live) to make an appointment to see the priest.

**Please ask your parents/legal guardians to read the following information:** The information your child provides is to let the priest and confirming Bishop find out a little more information about them and their journey in faith. It is voluntary to provide this information (they are free to write as much or as little as they like).

Once received into the office, the information will only be read by the priest and confirming Bishop and will not be retained after the service of confirmation takes place.
